## SOCIAL EVENTS

Mr. and Mrs. Samuel Perry, formerly of this city, delightfully entertained about fifty guests last Friday evening at their home in Cincinnati, the occasion being their 25th wedding anniversary. The home was beautifully decorated with ferns and cut flowers, while 1899 and 1914 in silver were much in evidence both in decorations and refreshments. The music of twenty-five years ago rendered by Mrs. Getz, of Cincinnati, and several solos by Miss Clemmie Tolle of this city were much enjoyed. Many gifts of silver and cut glass were received by Mr. and Mrs. Perry. The occasion will long be remembered by all present as a most happy one.

### NEGROES PLEDGE FUNDS

For Fight Against Segregation Ordinance at Louisville.

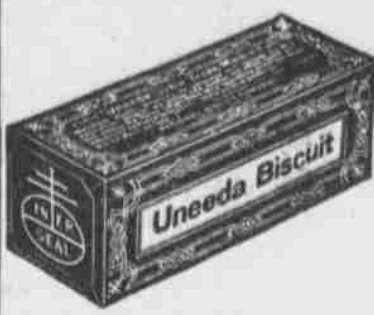

Louisville.—Financial support for testing the constitutionality of an ordinance segregating negroes in Louisville was pledged by several hundred negroes at a mass meeting here.

This action was taken by the adoption of a resolution after addresses had been delivered by Dr. J. E. Spingarn, of New York, of the National Association for the Advancement of Colored People, and Prof. William Pickens, of Talladega College, Talladega, Ala.

The segregation ordinance became effective last May. It prohibits negroes from moving into city squares in which most of the residents are white. The same prohibition applies to white people.

### PARENT-TEACHERS MEETING AT SPRINGDALE

The Parent-Teacher Neighborhood Club held their regular meeting Wednesday evening July 1st at the school house. It was the most enthusiastic of the series yet given. An interesting program consisting of songs, recitations and short speeches was rendered. A few having places on the program failed to respond but their places were readily filled by impromptu addresses from others. Miss Yancey gave an instructive and practical address and Miss Crosby as the next teacher acknowledged her position in a graceful and appropriate speech. Other speakers were Mr. Louis Harrison of Hebron, Mrs. Rash and Mrs. Morgan of the club, and Messrs. C. G. Degman and Creed Harrison of Berea. Mrs. G. W. Hook read a very interesting paper on "The History of Cabin Creek," an one read by Miss Ora Lee Elliott on "Consolidation of Schools" showed marked ability. The next meeting will be on the first Wednesday in August. Subject: "Good Roads." The responses to "Roll Call" is to be some of noted authors.

### A WORD WITH WOMEN

Valuable Advice for Maysville Readers.

Many a woman endures with noble patience the daily misery of backache, pains about the hips, blue, nervous spells, dizziness and urinary disorders, hopeless of relief because she doesn't know what is the matter.

It is not true that every pain in the back or hips is trouble "peculiar to the sex." Often when the kidneys get congested and inflamed, such aches and pains follow.

You can tell it is kidney trouble if the secretions are dark colored, contain sediment; the passages are too frequent or scanty. Then help the weakened kidneys. Don't expect them to get well alone.

Doan's Kidney Pills have won the praise of thousands of women. They are endorsed at home—Read this Maysville woman's convincing statement: "Mrs. Dora McLeod, Maysville, Ky., says: 'I had been feeling poorly for some time, before I knew that my kidneys were at fault. I was nervous and dizzy and my back and head ached. I rested poorly and mornings I was all tired out. I read in a local paper how a neighbor had been cured of kidney trouble by Doan's Kidney Pills. I used them and before long I was a great deal better. I was able to sleep well and they improved my health.'

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. McLeod had. Foster-Milburn Co., Props., Buffalo, N. Y.

## WISHED SHE COULD DIE

And Be Free From Her Troubles, but Finds Better Way.

Columbia, Tenn.—"Many a time," says Mrs. Jessie Sharp, of this place, "I wished I would die and be relieved of my suffering, from womanly troubles. I could not get up, without pulling at something to help me, and stayed in bed most of the time. I could not do my housework."

The least amount of work tired me out. My head would swim, and I would tremble for an hour or more. Finally, I took Cardui, the woman's tonic, and I am not bothered with pains any more, and I don't have to go to bed. In fact, I am sound and well of all my troubles."

Cardui goes to all the weak spots and helps to make them strong. It acts with nature—not against her. It is for the tired, nervous, irritable women, who feel as if everything were wrong, and need something to quiet their nerves and strengthen the worn-out system.

If you are a woman, suffering from any of the numerous symptoms of womanly trouble, take Cardui. It will help you. At all druggists.

When you see a young man climb on a street car late at night with a smudge of face powder on the label of his coat and his trousers creased at the bottoms but gabby at the knees, you can bet that his girl is a corn-fed.

Before they are married they stroll along the street clinging so closely to each other that you couldn't wedge a cigarette paper between them. After marriage you could drive a moving van between them when they are on the street and they wouldn't notice it.

## FOR SALE!

### NEW CIGARETTE LAW.

A Frankfurt special of 4th inst., has the following that should be read and carefully heeded by those concerned: "Tobacco dealers will find the act of 1914 prohibiting the use of cigarettes by boys under 18 years of age a dangerous law, it is surmised. Any boy with in the prescribed age found smoking tobacco may be arrested and fined, and the fine suspended if he will tell from whom he secured his smoking tobacco."

### RUGGLES CAMPMEETING

Arrangements Completed for the Annual Meeting which Begins July 23rd and Closes Sunday August 2nd.

The Board of Directors of Ruggles Campmeeting Association met on the 16th of July to make arrangements for the approaching meetings which this year will begin Thursday, July 23rd and close Sunday August 2nd.

The privileges were let as follows: Hotel, W. H. Hamrick; Confectionery, Cropper, Evans and Denton; Barber shop and baggage room, Barber and Cropper; Police, A. F. Rose. The services will be in charge of District Superintendents J. G. Dover and W. H. Dickerson of the Covington and Ashland districts, respectively. Music in charge of Mr. Boyd K. Muse with J. H. Richardson as cornetist and Howard Trent as accompanist. Miss Virginia Mae Hurd will have charge of the children's services and Rev. G. W. Buntin, D. D., the young people's services. In addition to the Kentucky Conference members who will be present to preach, Bishop David H. Moore has been secured for one Sunday and Dr. Kirby of East Liverpool, Ohio, for one Sunday. It is expected, too, to have some noted evangelist present for the evangelistic services during the second week.

Indications point to the usual capacity attendance of campers, as every available cottage but one has been taken. Unless some one gives up their cottage there is small chance for late comers to secure quarters only at the hotel. Mr. Lane, president of the Association will go out next week to superintend some needed improvements to the grounds. Every thing is being done that is possible for the comfort and enjoyment of those who attend. There will be quite a number go out next week so as to have a few weeks outing in the beautiful woods.
